

**IN THE UNITED STATES DISTRICT COURT FOR THE
SOUTHERN DISTRICT OF WEST VIRGINIA
AT CHARLESTON**

UNITED STATES OF AMERICA,

Plaintiff,

v.

CRIMINAL ACTION NO.: 2:10-CR-00088

MARK CANTRELL,

Defendant.

MOTION TO MODIFY TERMS OF BOND

On a date prior to the filing of this Motion, the Defendant was release on bond with certain terms and conditions. One of the conditions imposed was that the Defendant was to not have access to the internet in his home. The Defendant now would like to take online college courses to further his education and requires internet access to complete those college courses. The Defendant submits that there are precautions this Court may impose that would enable the Defendant to participate in online education, while still addressing the concerns the Court has regarding the Defendant accessing the internet, including, but not limited, regular inspections of the Defendants computer by qualified personnel.

WHEREFORE, based upon the above stated, the Defendant respectfully requests this Court to modify the terms of Defendant's bond to allow defendant internet access to participate in online educational opportunities, along with all other and further relief this Honorable Court deems just and proper.
